

Competitor information

Thank you for enquiring about being a competitor in *Salisbury Does Strictly* on 21 September 2019.

No previous dance experience is required for this, just a willingness to learn and practice your routine in preparation for performing it in front of an audience and judges on the night.

As competitors we ask for a £50 registration fee per couple, and as this is a sponsored event we are encouraging participants to raise as much as possible for Salisbury Hospice Charity. A suggested target is £500 per couple, and the couple who have raised the most by 21 September will receive a prize at the event.

To register as a competitor please complete and return the booking form along with your registration fee. On receipt of your booking form you will receive an email confirmation from Salisbury Hospice, who will send you a link to the *Salisbury Does Strictly* justgiving page, to help with your fundraising. They can also supply paper sponsorship forms if needed.

I will be in touch again very soon after you are booked in and, providing we get all 10 competitors signed up fairly quickly the lessons can start quite soon. We have some local dance teachers all ready to start working with our competitors. The amount of lessons you have will depend on both yours and the teachers availability, and it is advised to block time out for practising in between your lessons.

All of the competitors last year absolutely loved the experience. There are a couple of videos on my website if you want to take a look, and if you have any other queries please do get in touch with me.

I look forward to meeting you and helping you along your Strictly journey!
