Meadow of Memories Appeal

About Us

Salisbury Hospice costs £2.4 million each year to maintain its services, and less than 40% of this amount is funded by the NHS. For over 30 years Salisbury Hospice has been providing specialist care and support for people who live with life limiting illnesses, to help improve and enhance their quality of life. At any one time there are up to 180 patients under our care in the Hospice, Hospital or in their own homes. Provision of this service is only made possible by the sustained support and generosity of local people and businesses.

Remember a loved one with a beautiful handcrafted metal flower.

Help us create a meadow of flowers to honour your special memories as we celebrate our newly refurbished garden.

You will be able to purchase your flower until the 31st May when these symbolic flowers will go on display within the Hospice garden.

Thereafter your flower keepsake will be yours to collect from 30th June for display within your own garden.

All the money raised from our Meadow of Memories Appeal will support our Hospice at Home service.

Hospice at Home

Hospice at Home is a vital part of community end of life care. It brings the skills, ethos and practical care associated with the hospice into the home environment, putting the patient and their loved ones at the centre of care.

Hospice at Home aims to enable patients with advanced illness to be cared for at home, giving nursing care at difficult times. The Hospice at Home role includes helping patients get home quickly from the hospital or hospice as they approach end of life, and provides the care they need to enable them to die at home, if that is their preference.

All of the Hospice at Home team are highly trained and work closely with the Clinical Nurse Specialists in Palliative Care from the Hospice and liaise with other professionals involved in care in the community. The care and support is mainly given overnight but also for short periods during the day.

Our Hospice at Home service covers the same local area as Salisbury Hospice.

The Hospice at Home service receives no NHS funding, all costs are met by Salisbury Hospice Charity.

We would like to invite everyone to a special afternoon Cream Tea on **Sunday 30th June to celebrate our newly refurbished Hospice garden and to view our 'Meadow of Memories'.**

If you would like to attend to see your flower on display, please indicate numbers at the bottom of the donations page.

Flowers will be available for collection from the Fundraising Office from Monday 1st July.

Yes please, I would like the following flower/s for a donation of £30 each
