Welcome to our Spring/Summer Newsletter, with lots of exciting events on the horizon

I joined the board of trustee's in 2016 after Salisbury Hospice cared for my Mum in 2015. Many of you reading this will have seen first-hand, the incredible care given to our loved ones and the support given to us in the hospice. It's a very special place and I am very proud to be a part of the team.

This year for the first time, I am delighted to be on the new committee for the Salisbury Summer Fair (formerly the Wessex Country Fair). You'll see lots of new things, making it bigger and better. Of course, at the heart of our fair is still the Hospice Village, showcasing all that our wonderful hospice has to offer. Our Children's Village will be overflowing with family fun and we have a new Wellness Village with a timetable of classes, a wonderful line up of speakers, delivering talks on wellbeing and a day of mindful craft workshops. We can't wait to welcome you all to the fair in August.

Our Celebration Walk in April is a beautiful chance to remember a loved one. This event has been close to my heart since losing Mum and my first one in 2015 was very special. A chance to raise vital funds, reflecting on what the hospice did or is still doing for the special people in our lives, whilst taking in the wonderful sights of Salisbury. This really is a special event, where everyone comes together to remember and support one another.

We have some fabulous community events coming up too, with the ever popular Fabulous Family Fun Day, in memory of Lynn Fitcher, which raised a staggering £20,000 last year. Perhaps you'd like to run your own community event this year in memory of a loved one? We have dedicated community fundraisers who can help you bring your vision to life.

There's a great timetable of challenge events to sign up to if you fancy getting out of your comfort zone? Trekking in Croatia anyone?

We are always so grateful for all of our volunteers, those who support us day to day in the hospice itself and those who join us at our events. A huge heartfelt thank you to all of you: we couldn't do it without you. If you'd like to join these incredible people, we would love to welcome you as a volunteer to help us with this year's events. Find out how you can help by emailing info@salisburyhospicecharity.org.uk.

There are many ways you can get involved and help us raise funds for our incredible charity and we hope you enjoy reading all that we have to offer over the Spring/Summer. We would love you to help us spread the word and tell your friends and family about the work that we do and the events we have coming up. There's something for all the family to get involved. A huge thank you from myself and the rest of the trustees to our fantastic fundraising team who work so hard to raise funds, to secure the future of our hospice. A big thank you also to each and every one of you who has supported us, so we are able to continue our incredible care at the hospice.

Palliative Care

Often you will hear that Salisbury Hospice is a palliative care provider, but what exactly is palliative care?

Palliative care can begin as early as the diagnosis of an illness or condition that can no longer be cured (life-limiting). Palliative care does not aim to hasten or postpone death, but instead, it aims to promote quality of life, encouraging patients to live as actively and well as possible. Palliative care is not just provided at the end of life and can be given for many years following a diagnosis. Often a patient will be introduced to their palliative care provider early in the course of an illness to avoid increased distress.

Palliative care also:

- Provides relief from pain and other distressing symptoms
- Affirms life and regards dying as a normal process
- Provides social, practical and emotional support
- Allows the patient to make advanced care planning decisions and have more control over their care journey

Conditions where palliative care may be beneficial include:

- Heart, liver and renal failure
- Respiratory conditions such as chronic obstructive pulmonary disease (COPD)
- Neurological conditions such as motor neurone disease
- Dementia
- Cancer

During a patient's palliative care journey Salisbury Hospice's multi-disciplinary teams are on hand to educate support and advise, and in the final days facilitate a good death.

What makes a good death?

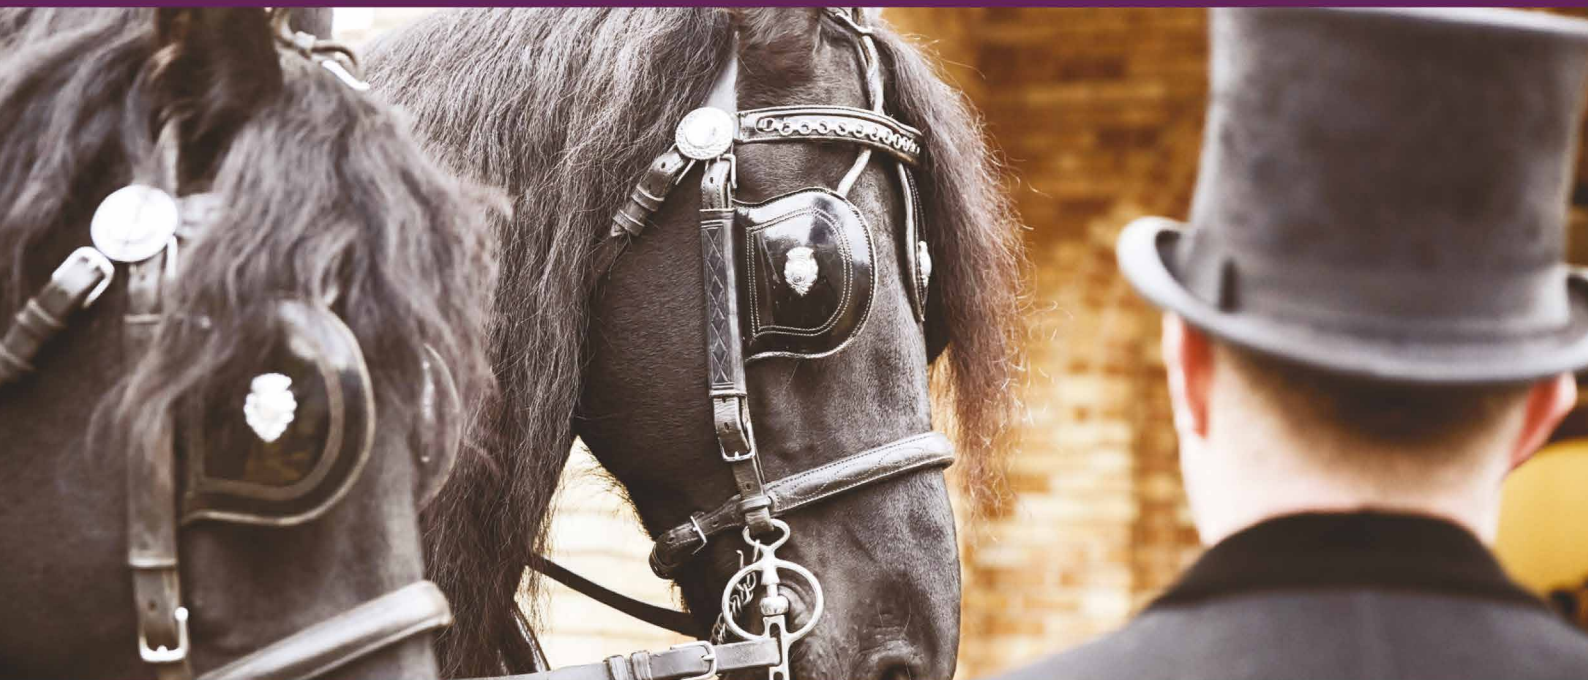

- To be treated with dignity and respect
- To have the people you want around you
- To have pain and symptoms controlled
- To have spiritual and emotional needs met
- To be in the place of your choice
- Make the memory of someone's death as positive as possible for the family

At Salisbury Hospice, our mission is to ensure our patients and their families are fully supported during their palliative care journey, from beginning to end. We treat patients as a whole, considering both the physical and emotional implications of a life-limiting illness.

A £41k boost for Hospice at Home

Between Tuesday 29th December 'Giving Tuesday' and Tuesday 6th December, we ran our 2022 Christmas Challenge in partnership with The Big Give. We were overwhelmed by the level of support given to this campaign and are delighted to say, it exceeded all expectations; raising an incredible £41k for our Hospice at Home Service.

The demand for Hospice at Home has increased vastly following the pandemic. Sadly, the pandemic, as well as the cost-of-living Crisis has stretched care services to the limit across the country. The money raised through this initiative will help secure the service by funding essential nursing costs.

'Myself and the Hospice at Home team are incredibly grateful for the generosity and kindness shown by our supporters towards this campaign and our service. The money raised will mean we can continue to provide care and compassion to patients and their families, in a setting that is comforting and familiar. A huge thank you to everyone who donated.'

Kelly Anderson - Hospice at Home Coordinator

We cannot thank everyone who donated enough, including the TH Russell Charitable Trust. Your support makes a huge difference to the patients and families we support. A huge thank you also to our pledgers and our champion The Hospital Saturday Fund.

The Big Give is a match-funding scheme made possible by pledges we receive from generous supporters. If you would be interested in pledging for this year's Christmas Challenge please email Katie.j@salisburyhospicecharity.org.uk or call 01722 416353.

A gift for our future

Leaving a gift in your Will is a wonderful way to show your support for the patients, families and carers supported by Salisbury Hospice.

A gift of just 1% from your Will can make 100% difference to families going through the most difficult of times, and your support has never been more vital.

Pledging support, with a gift in your Will to Salisbury Hospice, gives us confidence for the future so that we can be here for patients, families and carers - when they need us the most. Gifts in Wills are extremely important to us; in fact last year 20% of our fundraising came from kind supporters remembering Salisbury Hospice in their wills.

We recently ran a successful 'Make a Will' campaign. The Law firms taking part, kindly agreed to waive their normal will writing fee for the preparation of a standard or mirror will in return for a donation to Salisbury Hospice Charity. We would like to thank the following solicitors for their kind support:

Community Update

We are so grateful to all supporters for their extraordinary fundraising in the community; our regular supporters have continued to work tirelessly and we have seen some wonderful new fundraising ideas. Thank you to everyone who has supported us by raising funds in many varied ways.

Salisbury Community Choir

December saw the wonderful Salisbury Community Choir perform an entertaining array of songs at their Christmas concert, the retiring collection from which raised £768.

Salisbury Plain 4x4

The incredible Salisbury Plain 4x4 community have once again been raising money for us, and in January delivered £568 to the Hospice. Christmas Tree Collection

The Christmas tree 2022/23 collection saw a later collection weekend, with an increase in registrations – and over 1400 trees collected! An astonishing amount – more than in previous years – and with the money still coming in, we have raised in excess of £24,500. Thank you to all who registered their tree, and all our volunteers that help make the event a success. We would

Castle Gate & Monument Place

The residents at Castle Gate and Monument Place held a Christmas Bazaar on Monday 21st November – and raised an outstanding £2000! Lots of people came to 'guess the name of the camel', enjoy teas, coffees and mulled wine – purchase from various other stalls selling jewellery, turned wood gifts and cards.

like to give a special thank you to Pizza Venti for feeding all our wonderful volunteers over the whole weekend!

Sports & Challenges

Salisbury Hospice Charity has nominated 2023 as The Year of the Challenge and we have a wide variety of challenges available. Step out of your comfort zone and raise vital funds for Salisbury Hospice Charity.

Ride London - 28th May

The Ride London-Essex 100 is a unique opportunity to ride 100 miles on traffic-free roads through the heart of London and neighbouring Essex. Starting in the centre of the capital, you'll then roll through the beautiful Essex countryside and its quaint villages, before ending with an iconic finish at Tower Bridge.

Cardiff Half Marathon - 1st October

Since it was founded in 2003, the Cardiff Half Marathon has established itself as one of the UK's leading road races. With 27,500 entries selling out each year, this is now one of the biggest events in Europe - a huge achievement considering only 1,500 runners took part in the inaugural event. The route takes in all of the city's most iconic landmarks including the Principality Stadium, Cardiff Bay, the Civic Centre and Cardiff Castle. Thousands of spectators turn out to cheer on the runners in a city renowned for its sporting passion.

For further details on each of these events and to see what other challenges we have available, please visit:

www.salisburyhospicecharity.org.uk/events

Wing Walk - 3rd September

Would you like to take on the ultimate challenge to raise funds for the Salisbury Hospice Charity? We will be hosting a Wing Walking day at Henstridge Airfield on Sunday 3rd September 2023.

To clarify, you don't actually walk on the wings of the plane. Instead, you are securely fastened into a seat which sits on the top wing of a biplane. From here you can enjoy spectacular views of the area surrounding Henstridge.

Bath Half - 15th October

The Bath Half Marathon is a 'big city' race, starting and finishing in Bath city centre. The course is fast and flat with proven potential to set a new personal best.

Trek Croatia

Building on the success of the Mont Blanc trek which took place in September 2022, we are delighted to announce that in September 2024 we will be off to Croatia to do a Mountain Trek.

Date: 21st – 25th September 2024
Location: Croatia
Registration fee: £250.00
Minimum sponsorship: £2,500.00

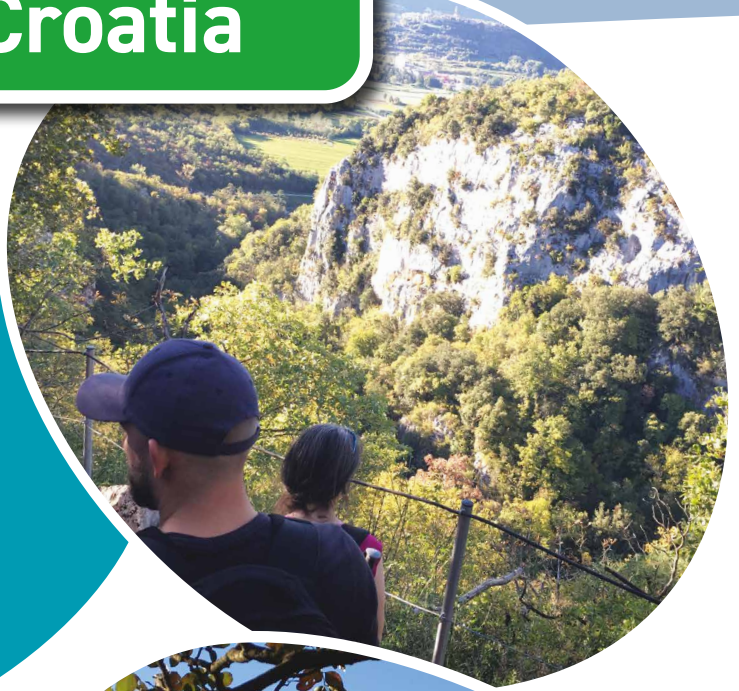

The Istria Peninsula in northern Croatia is relatively unknown, a hidden Tuscany-like gem which feels a world away from the well-touristed Adriatic coast to the south.

With spectacular, diverse scenery of lush green forested hills and limestone mountain peaks, vineyards and olive groves, meandering rivers, untouched stone villages and medieval hilltop towns, the region offers rich rewards for those who like to trek away from the crowds. Following the Istria Mountain Trail across the peninsula, we trek from the wooded hills around Buzet east into Učka National Park, where we crest three mountain peaks, culminating in fabulous views over the entire region from the rocky summit of Mount Učka. The highest peak is Mount Učka at 1401m – equivalent to 11½ times the height of Salisbury Cathedral's spire!

This is a challenging trek, with some long days and hilly terrain, but provides a memorable and beautiful experience in a short bite-sized adventure!

We will be hosting an information evening on this trek later in the year, to register your interest in attending and learning more about this challenge, please visit:

www.salisburyhospicecharity.org.uk/event/trek

The Difference YOU Make

The support YOU give through donations means we can continue to be there for our patients and their families. It means we can make sure patients' end of life wishes are met by giving them choices and by assisting with advance care planning decisions. Because of YOU our highly skilled team can be on hand to help those on an often daunting journey through the provision of care, support and guidance. It also allows us to be there for families who need us, giving them the strength to face tomorrow, even when loved ones are no longer with us.

In 2022.....

We received a total of **£134,194** in Individual donations, this meant we were able to provide **4,473 hours** of care for patients in the inpatient unit.

You were able to host community events again, there is nothing like coming together. Through these events, you raised a huge **£167,149**, which meant we could provide **1,304** days/nights of hospice at home care.

You raised **£34,912** through sponsored challenges this meant we could offer family and bereavement support to **900 families**.

Our Hospice is a magical place because of YOU...

'Before I came to the hospice, I thought it was a place to come and die, I now realise it is a place to enjoy living, every day as well as I can'

We are passionate about the difference that good end of life care makes and cannot thank our supporters enough for their kind and generous support of our mission.

We are not immune to current pressures in society, the cost of living crisis is having an impact upon us as a charity too, and we are grateful that people choose to give to us during what might be a difficult time. Please be assured that we are working hard to protect ourselves against these pressures so that we can continue to offer the support we do.
