## A Message From Our New Director...

I'm delighted to introduce myself as the new **Director of Fundraising & Marketing** at Salisbury Hospice Charity. It's a privilege to join this incredible team and to work alongside such a dedicated and passionate community. Your generosity makes everything we do possible, and I'm looking forward to meeting many of you in the months ahead.

This year is already shaping up to be an exciting one! Our much-loved **Midnight Walk** is back, offering another opportunity to come together, light up the night in solidarity, and raise vital funds for our hospice. We're also thrilled to introduce a brand-new event, the **Colour Run**—a vibrant, fun-filled day for all ages. Whether you run or walk through the clouds of colour, it promises to be an unforgettable experience!

Some of you may notice that this newsletter does not feature our annual **Salisbury Summer Fair**. After much consideration, we have made the difficult decision to take a break from hosting the fair this year. We are immensely grateful for the incredible support this event has received over the years.

Your enthusiasm and generosity have helped us raise vital funds for hospice care, and we hope this break will allow us to focus on new and impactful opportunities to support our patients and their families.

Beyond our events, your support continues to change lives. Thanks to you, our **Cuddle Bed Appeal** will help families share precious moments of closeness and comfort. Please consider using the donation form enclosed to help us fund two new cuddle beds, ensuring that patients can spend their final moments in the arms of their loved ones.

In addition, we are moving forward with the much-needed **Peter Gillam refurbishment**, enhancing our facilities to better meet the needs of those in our care. Inside this newsletter, you'll find all the latest updates on this important project.

There's so much to look forward to, and I'm incredibly excited to be part of it. I hope you enjoy reading this newsletter and feel inspired by the difference we're making together.

Thank you for your ongoing support, we simply couldn't do this without you.  
**Your support is our future.**

*Tom Goodinge*

## Refurbishment Underway at The Peter Gillam Support Centre

We are excited to share that the refurbishment is now well underway! This transformation is helping us create a more welcoming and functional environment for both patients and their families, ensuring they have the best possible experience during their time with us.

### Here's a sneak peek at some of the key updates:

- **Kitchenette Transformation:** The former flower preparation room has been beautifully repurposed into a modern kitchenette, featuring new storage solutions and a welcoming new design.
- **Family Room & Bathroom:** The family room and bathroom have been completely renovated, with new bathroom units, updated plumbing, fresh plastered walls, and brand-new windows and blinds to enhance comfort and functionality.
- **Peter Gillam Support Centre:** The Centre has received a thoughtful update with a wider doorway to accommodate wheelchair access, new furniture, piped oxygen, and tasteful artwork and furnishings that give the space a fresh and inviting feel.
- **Corridors:** The corridors have been stripped of old plaster. New flooring, windows and blinds have been installed, creating a consistent and refreshed look that extends throughout the entire hospice.

- **Alfred Room:** The flooring will be lifted and re-laid to match the corridors and PGSC. Additionally, the space will be fully redecorated, with new furniture, windows, and blinds.
- **Reception:** Our reception area has been fully revamped with new furniture, a branded carpet, and storage cupboards for charity information, creating a warm and professional first impression for visitors.

The refurbishment is moving along smoothly, and we can't wait to share the final results with you in our next newsletter. Stay tuned for the big reveal!

# Celebration Tree

## Honour Loved Ones with a Tribute on Our Celebration Tree

Each engraved leaf on our Celebration Tree symbolises the lives of loved ones touched by the care of Salisbury Hospice.

You can sponsor a decorative leaf on our Celebration Tree, located in the hospice reception area. This beautiful piece of art features a hand-carved oak trunk and branches, adorned with shimmering gold, silver, and bronze leaves.

By sponsoring a leaf, you can engrave the name of someone special or a personal message of remembrance. Leaves can be sponsored annually. At the end of the sponsorship period, you have the option to renew your leaf or have it returned to you as a cherished keepsake.

Your sponsorship not only creates a lasting tribute but also supports the vital work of our hospice. Join us in celebrating and remembering the lives of those we love.

For more information, please email [info@salisburyhospicecharity.org.uk](mailto:info@salisburyhospicecharity.org.uk) or call 01722 416353.

# Corporate News

## A Day in the Life of a Corporate Fundraiser

Louise Compton has been our Corporate Fundraiser for Salisbury Hospice Charity for the past 6 years. We thought it would be fun to ask her a few questions about her role.

### About Louise

Louise has extensive knowledge of the corporate sector including 25 years in banking and additional experience in the agricultural sector. Over the years she has gained a deep understanding of the community and local business landscape. This experience has allowed her to work closely in partnership with businesses, building strong relationships.

### Why Salisbury Hospice Charity?

My father was cared for by the palliative care team at Salisbury Hospice before he passed away in 2010. The specialist nurses and doctors made an incredible difference, not just in his final years but in supporting our entire family. Their care extended beyond my dad as a patient, providing us with bereavement support after his passing. Since then, the hospice has also cared for my aunt, uncle, a close friend, and my godfather. We are incredibly fortunate to have such a dedicated team offering specialist care and support so close to home.

### What does your average week look like?

No two days are ever the same! I work with a fantastic team of fundraisers, and there's always something exciting happening in the charity. This dynamic environment keeps things fresh and gives me plenty to share when connecting with potential corporate partners and sponsors.

### How do you actively engage with local businesses?

Networking groups have been a great support, and I would like to thank the members of Total Boardroom Networking, Ambassadors, Business Through Referrals, Ladies in Business, Fordingbridge Women's Networking Group, Business Women In and Salisbury Chamber for making me feel very welcome over the past few years.

### What are the benefits for a business partnering with Salisbury Hospice Charity?

Partnering with Salisbury Hospice Charity allows businesses to support compassionate and palliative end of life care, improve their brand image, and engage employees in meaningful activities. It also offers networking opportunities and potential tax benefits, all while making a positive impact in the community.

### What events are you looking forward to in 2025?

In 2025, I'm excited for our new Colour Run event and of course Midnight Walk. After a successful first year, our Jail and Bail event returns on Friday 13th June. This is a fantastic opportunity for businesses to get involved in an engaging and impactful fundraiser. Spaces are limited, so don't miss out! I'll also be hosting our annual Corporate Gala Quiz on 17th October, a great evening of networking and friendly competition. Keep an eye on our website for more details!

### Anything else?

No, except to say that I truly love what I do! Every day, I have the privilege of meeting so many incredible and inspiring people. A huge thank you to everyone I've had the pleasure of working with over the past few years.

## A Heartfelt Thank You to Our Remarkable Trekkers

A huge thank you to the 10 incredible supporters who completed our recent Croatia Trek, raising an astounding £45,000 for Salisbury Hospice Charity. Their hard work and determination, along with the support of their communities, ensured they surpassed their fundraising goal, making a lasting impact on the care we provide.

Throughout the 31-hour trek across Croatia's Istrian Peninsula, they faced rugged trails, stunning vistas, and challenging climbs, including the ascent of Mount Učka. In total, they covered 68 kilometres and climbed 7,471 feet—surpassing the height of Ben Nevis.

Their journey was about more than just physical endurance; it was a shared experience of purpose, camaraderie, and laughter. Thanks to their efforts, the funds raised will support vital hospice services, allowing us to continue offering compassionate care to those with terminal and life-limiting illnesses.

We extend our deepest gratitude to the trekkers and everyone who supported them. Your contribution will make a lasting difference. Thank you!

## Sports And Challenge

### Lisbon Half

Congratulations and thank you to Jo and Alisha who completed the Lisbon Half Marathon, raising an impressive £1,312. Jo wanted to run in memory of her mum, Karen, saying "Salisbury Hospice means so much to me because of how well they looked after my mum in her final months. The care and kindness they showed made such a difference, helping her stay comfortable and peaceful. The hospice provided a safe, caring space, and I'll always be thankful for the way they treated her". Well done Jo and Alisha.

### Team Adonis Blue

Charlotte, Dan, Katie and Shauna were brave enough to take on a 15k Tough Mudder last year, while Charlottes's auntie was under the care of the hospice. Team Adonis Blue (named after Charlotte's auntie's favourite butterfly) laughed all (or most) of the way around and raised £1,015. Thank you Team Adonis Blue, you are amazing!

### The Big Half Sunday 7th September

Join the vibrant and fun-filled Big Half Marathon in London on 7th September! Covering 13.1 miles, this exciting event is perfect for both seasoned runners and first-timers. Every step you take helps provide essential palliative care.

Fuel economy and CO2 results for the BMW iX xDrive60 M Sport†: Energy consumption, combined WLTP in miles/kWh: 3–3.4; Electric range, WLTP in miles: 370–426.

\*Range depends on various factors, in particular: individual driving style, route characteristics, outside temperature, heating/air conditioning, pre-conditioning. †The BMW iX is a battery electric vehicle requiring mains electricity for charging. Whilst we recommend the battery for the BMW iX is charged to 80% to help optimise the health and life of your battery, the electric range figure shown is the WLTP figure after the battery had been fully charged to 100%. WLTP figures are shown for comparability purposes. Only compare fuel consumption, CO2 and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post registration), variations in weather, driving styles, fuel type and vehicle load.
